

Como Continuacion de nuestras precauciones universales de observacion relacionada con la exposicion a patogenos, nuestras oficinas han tomado medidas adicionales de acuerdo con el CDC y el Departamento de salud de Connecticut, para proteger a los pacientes y los empleados de la innecesaria exposicion al COVID-19.

Teniendo en cuenta que la continuacion de su tratamiento es importante y no debe tomarse a la ligera, usted tiene la opcion de cambiar su cita.

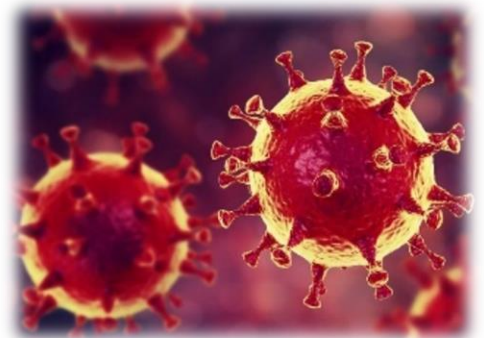

Si usted se siente inseguro en nuestras oficinas, por favor retirese y llamenos para hacer otra cita.

**Si usted cree que ha estado expuesto al COVID-19, si has regresado de un crucero, si has viajado a Europa o Asia durante en las dos semanas pasadas.
POR FAVOR LLAMENOS PARA CAMBIAR SU CITA!**

Si usted esta presentando sintomas respiratorios como tos, o dificultad al respirar, tiene que cambiar su cita.

La meta de nosotros es detener la propagacion de este virus, y todos los seres patogenos:

- Mantenga la distancia
- Lavese las manos
- Usar gel alcolizada, cuando este disponible
- No tocarse la cara
- Cubrirse la boca al toser
- Evitar lugares concurridos
- Si se siente enfermo, con dificultad al respirar o con fiebre, llame a su doctor.

PRECAUTIONS UPON ENTERING THE OFFICE

DO NOT ENTER the office, return to your car immediately, and call to reschedule your appointment if...

- You have tested positive for COVID-19
- You feel you have been exposed to COVID-19
- You are caring for a person who has tested positive for COVID-19
- You have a fever of greater than 100°F
- You are coughing, have chest pain, or shortness of breath
- You have traveled out of the country or have been on a cruise in the past two weeks
- You feel unsafe about entering this office

If you are **ENTERING** the office:

- Please have your driver or companion remain in the car
- Please limit those who accompany you to only those absolutely necessary
- Please maintain a six-foot distance from others in the waiting room
- Please use the provided hand sanitizer as well as restroom to wash your hands

To protect our patients, our staff has been instructed to:

- Stay home if they feel sick, have a fever, shortness of breath, have someone sick at home, or have risked exposure to COVID-19
- Maintain as much distance between patients as possible
- Use every other table for therapies
- Space chairs further apart in the waiting areas
- Wear masks and gloves if there is direct patient contact
- Refrain from unnecessary personal contact and sanitize hands frequently
- Routinely clean and sanitize all floors, equipment, and hard flat surfaces
